

SUSPENSION WORKSHOP REGISTER

USER REQUIREMENTS

- The database is provided free of charge, to all approved Training Providers, for the sole purpose of assisting in the provisioning of training delivery for Trainee Suspension Fitters engaged on the Suspension Fitter Skills Program.
- Approved Training Providers utilizing this database, do so in acceptance of the terms and conditions hereunder.
 - The information contained in the database is considered privileged and confidential, and its use for any purpose other than that stated above will constitute abuse and / or misuse of such privileged information.
 - MIBCO will not be accountable for any legal recourse, between employer and provider, arising out of misuse of any information contained in the database.
 - MIBCO reserves the right at its own discretion, without consultation, to cancel a training provider from further access to the database, with immediate effect, should there be any breach in terms of the above.
 - Future database updates will be distributed to all compliant providers, for the duration of the project, on application and / or as becomes significant to do so.
 - Providers making use of this facility do so voluntarily and consequently indemnify MIBCO of any error or misinformation that may become evident in the database.
 - Providers make use of this database on a “first come-first serve” basis and consequently indemnify MIBCO from any alleged bias or favoritism.
