28<sup>th</sup> August 2010

Dear FRA Member,

## **NOTICE OF STRIKE ACTION: 1 SEPTEMBER 2010**

Our previous correspondence in relation to the MIBCO Wage and Substantive Negotiations as well as the dispute which currently exists, refers. NUMSA has on Friday, 27<sup>th</sup> August 2010 at 18:15, served notice on the FRA/RMI in order to embark on strike action commencing 1 September 2010. (A copy of their letter attached).

As you are well aware, FRA/RMI had previously approached the NUMSA leadership in order to convene a high level meeting as a matter of urgency, in order to break the impasse which currently exists.

NUMSA leadership has "in principle" agreed to a further meeting with the FRA/RMI leadership. The details of this meeting, has not been finalised, however, it is expected to take place early next week.

In the event that the leadership meeting is unsuccessful and strike action is to proceed on 1 September 2010, the parties will meet in order to discuss and agree on picketing rules. Once this happens they will be circulated to all members. Meanwhile, we are sending you under separate cover an emergency response plan for you to start preparing yourselves should the strike proceed, as we are left with only Monday and Tuesday to know if there would be any change. The response plan is also relevant even if the strike should not go ahead.

You will be updated accordingly on other issues as the events unfold.

Kind regards

**Reggie Sibiyi**
