PAYMENTS MADE INTO MIBCO'S BANK ACCOUNT

Employers are reminded that they should always quote the **correct banking reference number** when making either an electronic and or manual deposit into MIBCO's bank account.

The **banking reference code** is quoted on all Monthly Returns and can also be obtained by calling the Mibco SSC Call centre on telephone number: 086 166 4226.

Employers are also reminded that deposits without the relevant banking reference code may not be identified through the operations system and this in turn will cause a delay in the finalisation of the monthly returns and the distribution of the relevant funds.

Your co-operation in this regard will be highly appreciated.

The MIBCO Team
