**DATE: 06 April 2017**

**TO ALL PARTICIPANTS IN THE MOTOR INDUSTRY**

**SUSPENSION FITTER VERIFICATION**

MIBCO would like to inform the motor industry that designated agents will require employers to produce a Suspension Fitter Skills Programme Part-2 Manufacturing, Engineering and Related Services Sector of Education and Training Authority (MerSETA) Statement of Results to verify that employees can be graded as a Grade-7 Suspension Fitters according to MIBCO agreements.

The MerSETA Suspension Fitter Skills Programme Part-2 statement of results serves to confirm that an employee has an occupational award as a Suspension Fitter and is thereby qualified to perform general repair and maintenance duties on automotive suspension systems without the supervision of a qualified automotive artisan.

The suspension fitter statement of results is only issued to candidates who have successfully completed the Part-1 (SP0629/11-17) and Part-2 (SP0002/06-17) Suspension Fitter Skills Programme training through a MerSETA accredited training institute.

Refer to Annexure-1 for a sample of the MerSETA Suspension Fitter Skills Programme Part-2 Statement of Results:
