

Dated: 20 OCTOBER 2024

Circular no: 2025/00029

To: ALL PARTICIPANTS IN THE MOTOR INDUSTRY

Notice:

The 10th Automechanika Johannesburg trade fair will take place on 28 - 30 October 2025 at the Gallagher Convention Centre in Midrand.

Automechanika is the ideal event for networking, discovering new business opportunities, gaining valuable insights into the future of the automotive sector and provides a comprehensive platform to explore a wide range of products and services across key categories including parts and components, accessories, workshop equipment, tyres and batteries, fleet management, and much more.

As an extension of its mantra “Good to Great Together”, MIBCO is proud to be an affiliated partner of the Automechanika Johannesburg 2025 trade fair. To this end, MIBCO will have an exhibition stand during the 2025 event where stakeholders can engage with our team on site who will assist existing employers and employees with queries, as well as to register new entrants to the Motor Industry. We also encourage our stakeholders to visit the MIBCO stand at the show and use the Automechanika platform to engage with MIBCO to get sustainable and productive solutions on how to conform to the regulations that govern the Motor Industry.
